THREE GERMAN STEAMERS SEIZED BY U. S. DESTROYER At Request of Customs Officials of

Manila, Philippines. Manila, Feb. 5.—Simultaneously with the seizure of the German steamers in Manila harbor, the United States destroyer Barry, which left Manila Saturday night under forced draught, seized three German steamers at Cebu, including the Prinzers Alfee. At the same time the American destroyer Channeep seized the three German steamers at Zamboanga.

The seizures were made by naval officers at the request of customs authorities, who regarded attempts to destroy German vessels in Philippine harbors as wanton and lawless.

It afterwards attacked my Heart and I had pains all over my body, so that I could hardly move around. I tried all kinds of Medicine but none of them did me any good. At last, I decided to try "Fruit-a-tives". I bought the first box last June, and now I am well, after using only three boxes. I recommend "Fruit-a-tives" to anyone suffering from Indigestion".

### "Come on Over, See My Corn Fall Off!"

"See—all you have to do is to use your two fingers and lift the corn right off. That's the way 'Gets-It' always works. You just put on about 2 drops. Then the corn not only shrivels, but loosens from the toe, without affecting the surrounding

flesh in the least. Why, it's almost a pleasure to have corns and see how 'Gets-It' gets them off in a hurry and without the least pain. I can wear tight shoes, dance and walk as though I never had corns."

"Gets-It" makes the use of toe-irritating salves, bundling bandages, tape, plasters and other things not only foolish, but unnecessary. Use this wonderful discovery, "Gets-It," for any soft or hard corn or callus. It is the new, simple, easy, quick way, and it never fails. You'll never have to cut a corn again with knives or scissors, and run chances of blood poison. Try "Gets-It" tonight.

"Gets-It" is sold everywhere. 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.
